

Exhibitor Information

All exhibitor products are subject to approval by the Great Island Artisans Guild. Please submit a photograph of your product, a completed application, and the appropriate application fee. The Great Island Artisan's Guild will notify you of acceptance within 30 days of the event. Payments should be made to "Great Island Artisan's Guild."

All events are held indoors at the Great Island Overlook Clubhouse; there is no rain date. We provide an 8x7' space and two chairs, and you supply your own table and display furnishings. More details will be sent out as the event approaches.

Great Island Artisans Guild

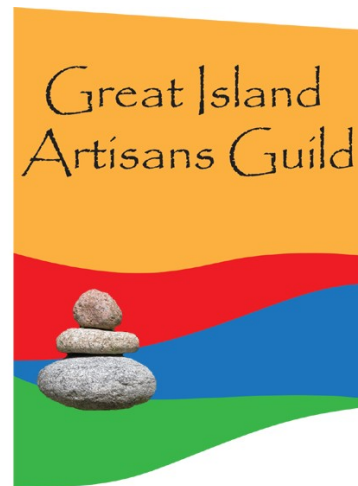

The Guild is an association of artists and artisans residing in Great Island, including creators of fine arts and crafts that reflect a level of quality, uniqueness and beauty not found in mass-produced products. These works span a wide range of items that may be functional or decorative; items for the home or office; products that are personal or given as giftware.

The purpose of the Guild is to offer and promote seasonal art fairs to highlight the works of Guild members and guest exhibitors. Please feel free to contact us with any questions about the Guild, our members and/or programs:

Call for Artists and Artisans!

The Great Island Artisans Guild is seeking artists and fine crafts persons to exhibit your works at our fairs. Great Island, a delightful community situated in the elegant Pinehills in Plymouth, is the perfect venue to present quality fine arts and crafts to upscale buyers.

Now in our third year of operation, we offer exciting new programs for the fall and holiday seasons... and we want *you* to join us!

Your works will be exhibited in an 8x7 display space in our indoor, tastefully appointed clubhouse. The exhibit floor plan provides ample space for attendees to move about and visit each exhibit. The spacious Overlook Clubhouse features the Ballroom, Grand Foyer, and up to two game/craft rooms to accommodate a variety of exhibitors. We can also accommodate special requests for larger exhibit spaces if needed. We provide informative handouts and signage to encourage attendees to visit all of the booths.

To attract visitors, we advertise on local radio programs, and post brochures and flyers all around Plymouth and surrounding towns. We often work with The Pinehills and the Del Webb office who conduct mass mailings and other marketing programs to attract visitors to the community and the Artisans Fairs.

We are seeking artisans who possess a passion for high quality work. **We accept only hand-crafted work by the exhibitor-artisan.** We welcome artisans who create visual art, home décor, furnishings, household decor, jewelry, clothing, giftware, etc. Your work should impart the individuality and beauty that is often lacking in manufactured products.
